Contributor Agreement Form

By signing below, Contributors acknowledge their agreement to the terms and conditions stated in the “Terms of the Contributor Agreement Form and Transfer of Copyright.” Contributors represent and warrant that they have completed all information on the attached “Additional Contributor Information” accurately and thoroughly. **By signing this Agreement on behalf of all Contributors, Corresponding Contributor represents and warrants that he/she has received written permission from each Contributor to sign this agreement on his or her behalf and to grant the transfer of copyright herein. It is recommended, however, that each contributor sign a separate copy of this Agreement and submit it to the Director of Publications.**

All drafts of the articles are embargoed prior to publication. Request to share drafts ahead of publication should be made directly to the director of publications.

Once an article is officially published, we encourage authors to share their work, but we ask that they post a link directly to the paper on the journal’s homepage and do not post the pdf of the file itself. This allows us to gather data on usage and potentially allow people to discover the other work in that issue of *RSF*.
